

Catholics always do something special for Lent...

NEIGHBORHOOD MASSES FOR LENT (NM4L)

You are invited to a weekday Mass in or near your neighborhood!

This Lent, Saint Paul Catholic Church is coming to YOU.

A series of weekday Masses to gather neighbors together, to socialize a little, to pray together, to invite newcomers, to remind everyone that we are here - to do something special for Lent.

Here are the dates in the coming weeks. All specific details needed to participate will be available in the weekly bulletins immediately preceding the dates.

All begin at 6:30 pm (except one). Please plan ahead. You don't need to bring anything but yourself and family members. Invite a friend or neighbor along! A little social time will follow each Mass. Our priests would like to welcome you!
