Our Parish Registration is the official way to join our parish community. Many people think because they attend Mass at St. Paul they are automatically registered members. Membership requires signing up and formally enrolling yourself in the parish. Completing this form means you will be included in the religious, social and ministerial activities of the parish. We are so happy you have made this commitment to our parish community.

“Our time, talent and treasures are on loan to us from God. Be like God: share them with generosity”.
